

# CONSTRULEGAL

Alliance of Construction Law Firms for the Americas

Peckar & Abramson is pleased to announce the formation of Construlegal, an alliance of construction law firms in the Americas -- spanning from South America to North America. The unique alliance offers construction industry clients across the world access to the most experienced lawyers who specialize in construction law for the Americas thereby facilitating seamless access to local expertise, language and culture while benefitting from the full breadth of experience and quality of the lawyers of all the member firms.
