

New York Construction News and Peckar & Abramson present:

# Mold: Fact vs. Fiction

What all designers, contractors and real estate owners need to know about the growing issue of mold.

Three professional panel discussions will explore the issues of mold from all perspectives in this unique 1/2-day conference.

**What you will learn:**

- *The Science of Mold*
- *Design/Contractor Liability Issues*
  - *New Products*
- *Remediation Techniques/Procedures*
  - *Insurance Implications*
- *Plus, a presentation of the landmark AGC guidelines, released in March 2003, "Managing the Risk of Mold in the Construction of Buildings," sponsored by the GBC of New York State.*

**Thursday, May 29, 2003**

**1 p.m. – Registration, Refreshments**
