PARTNER

Angela Connor, a partner in Peckar & Abramson's Houston office, is board certified in construction law by the Texas Board of Legal Specialization and focuses her practice on business litigation, dispute resolution and contract negotiation. Known for her sound and practical legal advice, she routinely finds creative solutions to meet her clients' business needs.

Angela represents a wide range of construction industry clients, including general contractors, owners, subcontractors, sureties and suppliers, and regularly handles complex construction-related matters involving mechanic's liens, payment bonds, contract disputes, collections, delay claims and construction defects. She is also involved in the drafting and reviewing of contract documents and regularly performs contract risk assessment and risk management for a range of construction projects.

Having represented both plaintiffs and defendants in state court, federal court and in arbitration proceedings, Angela brings to bear a wealth of knowledge in nearly all aspects of litigation and dispute resolution. She prides herself on utilizing the most efficient and cost-effective means for resolving complex disputes.

She received her Bachelor's degree in Business Administration from Texas A&M University, and her law degree from South Texas College of Law Houston, where she served as Student Bar Association President and graduated *cum laude*.
