

Peckar & Abramson Named Top Construction Law Firm by Construction Executive Magazine

June 12, 2019 – National construction law firm Peckar & Abramson, P.C. (P&A) is pleased to announce that it has been recognized as the top Construction Law Firm in the United States by *Construction Executive (CE)* magazine.

In its first ever ranking of construction law firms, *CE* described its process. “For this inaugural ranking, *CE* reached out to hundreds of law firms throughout the United States with a dedicated construction practice to find out who the leaders are, and what legal issues are keeping them busy.”

Firm Chairman, Steven M. Charney, noted, “we are honored that *Construction Executive* has ranked Peckar & Abramson as the top construction law firm in the country. It is always a great pleasure when our attorneys and staff are recognized for their tireless dedication to delivering no-nonsense advice, achieving outstanding results for our clients and advancing the infrastructure and construction industries more broadly.”

P&A Vice Chairman, Stephen Reisman went on to say, “we are deeply committed to serving general contractors, construction managers and others across the construction industry in their national and global projects.”

According to *CE*'s research, Peckar & Abramson is the nation's largest and most active construction law practice, based on 2018 revenues.

CE also noted Peckar & Abramson's wide range of practice areas within construction law, including Dispute Resolution, Construction Defects, Contract Documents, Construction Transactions, Government Contracts, Surety Bonding, Labor & Employment, Public-Private Partnerships (P3s), Mergers & Acquisitions, and International Construction.
