## Nathalie Vergoulias Earns Legal Spanish Certification from University of Miami School of Law

**NEW YORK, NY – June 1, 2020** – Nathalie N. Vergoulias, an Associate in Peckar & Abramson’s Miami office, has earned a Legal Spanish Certification from the University of Miami School of Law. The Legal Spanish Certification course delivers 72 hours of instruction over a 20-week period, taught entirely in Spanish. During this period, Nathalie performed tasks typical to the legal systems of Latin American countries and compiled a professional portfolio with sample legal documents, references, and recorded presentations. The topics covered in the course included orthography and tenses, judicial systems, communication at work, reported speech, contracts, and legal briefs.

Jerry Brodsky, Director of P&A’s Latin American practice, commented, “We are incredibly proud of Nathalie and her commitment to both the firm and to providing our Latin American clients with the highest level of client service possible.”

### About Nathalie Vergoulias

Nathalie Vergoulias represents a range of clients throughout the construction industry. Her practice primarily concentrates on construction law, complex dispute resolution, and commercial litigation. An energetic counselor and legal advisor, Nathalie has successfully handled a diverse range of contract disputes and legal transactions on behalf of her clients, both in Florida and across the U.S. As a Certified General Contractor with both a Bachelor of Science and Master of Science degree in Construction Management, she offers her clients a wealth of industry insight and hands-on construction experience. Fluent in both Spanish and English, Nathalie regularly handles multi-cultural transactions and disputes and provides clients with strategic legal counsel. She received her M.S. and J.D. jointly from the University of Florida M.E. Rinker Sr., School of Construction Management and the Levin College of Law and her B.S. in Construction Management from Florida International University School of Engineering and Computing.
