Building Trades Employers' Association (BTEA) states the award, "recognizes leaders whose determination and guidance through the challenges of the past year transformed the industry, MWBE community and the City's emergency response effort." Charles was recognized at the BTEA Transformative Leaders Awards on November 8, 2021, at Ziegfeld Ballroom in New York City.

Firm Chair Steven M. Charney, who presented this award, commented, "Charles has deservedly been recognized for a number of prestigious awards this year, and this MWBE Leadership honor further acknowledges his presence as a leader, both in our firm and across the industry."

New York Co-Managing Partner, Gregory H. Chertoff, stated, "Charles' contributions over the past 28 years are innumerable – and his service to the MWDBE community has made a significant impact to their construction businesses and professional success."

About Charles Williams

Charles is a partner in the Construction & Infrastructure and Surety Law practices at Peckar & Abramson. He focuses his practice on construction, real property and government relations issues and commercial litigation, including the representation of sureties.

Charles is admitted to practice in the State of New York, the United States Court of Appeals for the Second Circuit and the United States District Courts for the Southern and Eastern Districts of New York. He received his Bachelor of Arts degree from Franklin & Marshall College and his law degree from Columbia University School of Law.

About Building Trades Employers' Association (BTEA)

Founded in 1903 to resolve disputes amongst different building trades unions Building Trades Employers Association (BTEA) states it is the "construction contractor's unified advocate for construction safety standards, professional development, government affairs and public relations. [It is] committed to fostering communication between public officials, public and private owners, labor, and the general public."
