

## National Construction Law Firm Peckar & Abramson, P.C. Celebrates 40 Year Anniversary Serving the Construction Industry

**NEW YORK, NY – April 5, 2018** – National construction law firm Peckar & Abramson, P.C. (P&A) is pleased to announce that the firm celebrates its 40th anniversary this month. P&A's reputation as the 'go-to' law firm for leading general contractors, construction managers and other companies and organizations across the construction industry was developed over four decades of service – always with our commitment to clients at the forefront of the firm's practice. Since its founding, the firm has been involved in the largest and most complex construction and infrastructure projects throughout the United States and beyond. P&A's unique depth and talent across a comprehensive range of legal services now extends to diverse industries and businesses worldwide.

"What really defines the success of our firm is that after 40 years, P&A is thriving, growing and reaching for new heights of excellence, innovation and achievement," said Robert S. Peckar, Founding Partner. "This anniversary is a celebration of our dedication to clients, our commitment to providing the highest quality legal advice and the loyalty and respect we have for one another in the firm."

Founded in 1978 by attorneys Robert S. Peckar and Richard L. Abramson, P&A has grown to over 110 attorneys in 11 offices nationwide, with affiliations around the globe. Under the leadership of Firm Chairman, Steven M. Charney and Stephen H. Reisman, Vice Chairman, the firm's growth continues to eclipse all expectations due to its focus on efficiency, value and unparalleled client service. "Practicing law has been a rewarding vocation for each and every one of us," added Steven M. Charney. "We are honored to serve many of the world's best known general contractors – and the broader construction community – both in the U.S. and worldwide."

Today, P&A enjoys an excellent reputation as legal advisor to many of the nation's preeminent construction contractors and industry associations. The firm's legal expertise now extends beyond construction to clients in government as well as the healthcare, energy, defense, insurance, banking, real estate, aerospace and life sciences industries. Its key practice groups include Construction & Infrastructure, Construction Dispute Resolution, Commercial Litigation & Dispute Resolution, Corporate Compliance & Integrity Counsel, Corporate Law, Employment & Employment Practices, Environmental Law, Government Contracts, Internal Investigations, Labor Law, Power & Industrials/EPC and Public-Private Partnerships. The firm's extensive experience, proven track record and Results First<sup>SM</sup> approach to client service have helped a wide range of clients to maximize opportunities, meet challenges, solve problems and manage risk.
