

PETER E. MORAN OF PECKAR & ABRAMSON, P.C. NAMED TO NEW JERSEY LAW JOURNAL “NEW LEADERS OF THE BAR 2013” LIST

NEW YORK—August 1, 2013 – Peckar & Abramson, P.C. (P & A) is pleased to announce that senior associate **Peter E. Moran** has been named to this year’s *New Jersey Law Journal* “New Leaders of the Bar” list, formerly called “40 Under 40.” This list recognizes attorneys under 40 years of age who have demonstrated ambitious accomplishments beyond their years and who make up the new band of leadership in New Jersey’s legal profession.

Rigorous Selection Process

After a rigorous multi-phased selection process, Mr. Moran was chosen for inclusion as one of 50 attorneys in private practice in New Jersey whose achievements distinguish them among their peers, both in the workplace and in their public service involvement. The fundamental criteria for the selection of these lawyers are that they have demonstrated leadership, developed practice niches, acquired strong books of business, exhibited expertise in litigation or transactional work and shown a commitment to pro bono, charitable and professional volunteer work. The title of “New Leaders of the Bar” distinguishes this group of lawyers among their peers and heralds their future success.

About Peter E. Moran

Peter E. Moran, a senior associate with the firm, concentrates his practice in the area of construction law and in the negotiation, litigation, arbitration and mediation of construction and commercial disputes in New York and New Jersey. Mr. Moran represents his clients throughout all stages of trial and appeal, working hand-in-hand with them to develop cohesive and cost-effective litigation strategies to help achieve their business goals. He represents owners, developers, general contractors, construction managers, architects, engineers, sponsors, and subcontractors.

Mr. Moran has extensive experience in construction and design-defect claims, contract claims, lien and construction trust matters, payment disputes, delay-and-impact claims, international disputes involving Fédération Internationale Des Ingénieurs-Conseils (FIDIC) and government contracts, condominium and community association law, bid protests, construction injury defense, consumer fraud claims, insurance coverage, professional malpractice defense, and general commercial litigation. His experience also includes drafting and negotiating construction documents. Mr. Moran represents

clients serving numerous segments of the construction industry, including commercial, public and residential construction, schools, high-rises and skyscrapers, airports, power and energy, transportation, and heavy highway.
