

Peckar & Abramson Ranked First Among *Construction Executive's* “The Top 50 Construction Law Firms™” 2022

NEW YORK, NY – June 1, 2022 - Peckar & Abramson, P.C. (P&A) is pleased to announce that it has been ranked first among *Construction Executive* (CE)'s “The Top 50 Construction Law Firms™.” P&A has held this distinction since 2019, the inaugural year of the publication's rankings.

According to CE, to determine the 2022 ranking the publication invited hundreds of U.S. law firms with a construction practice to complete its survey. CE explains that the data it collected pertained to activity in 2021 and focused on metrics that reflect each firm's construction practice, number of attorneys, clients, and the year in which the construction practice was established, among others. According to CE, the ranking was determined by an algorithm that weighed these and other factors.

P&A was ranked as the largest and most active construction law practice in the nation, based on the methodology described.

Published in CE's June 2022 issue, the rankings feature analysis accompanied by an article in which P&A attorney Crystal Dang discusses diversity, equity and inclusion within the construction industry.

CE also noted Peckar & Abramson's wide range of practice areas within construction law, including Dispute Resolution, Contract Documents, Environmental Law, Government Contracts, Surety Bonding, Labor & Employment, Public-Private Partnerships (P3s), Power & Industrials, White Collar Criminal Defense, International Construction and Corporate and Real Estate Law.

Firm Chair, Steven M. Charney, commented, “We are delighted that Peckar & Abramson has once again ranked first among *Construction Executive's* ‘The Top 50 Construction Law Firms.’” He continued, “This recognition confirms our team's depth and relentless commitment to our clients and the construction and infrastructure industry.
