SENIOR ASSOCIATE

As a senior associate in Peckar & Abramson's Houston, Texas office, Kirstie focuses on construction litigation, dedicating her practice to resolving disputes related to construction defects, breach of contract, breach of warranty, and mechanic's liens. She represents clients in state and federal courts, as well as in arbitration proceedings.

Kirstie has first-hand experience of the hard work that goes into being a general contractor, thanks to spending much of her childhood on construction sites with her father who was an independent general contractor. She also understands the significant impact that attorney's decisions can have on construction companies and as a result, Kirstie is committed to guiding her clients through litigation every step of the way, working diligently to secure the best possible outcomes for them.

Kirstie earned her B.S. from The University of Texas at Austin and her J.D. from South Texas College of Law. She is a member of the State Bar of Texas, Houston Bar Association (Construction Law Section), and the Houston Young Lawyers Association.
