

Chambers USA Names Peckar & Abramson to Band 1 Level in Construction Law 28 P&A Lawyers Recognized as Leading Attorneys Six Regions and Government Contracts Practice Recognized

Peckar & Abramson, P.C. (P&A) is pleased to announce that the firm has been recognized by Chambers USA at the Band 1 level nationwide in the area of Construction Law. P&A stands alone in its distinction of being named a Band 1 firm in Construction Law nationally, and has been named in the position every year since Chambers USA began awarding the recognition. The firm was also recognized nationally in the area of Government Contracts: Highly Regarded.

P&A's offices in New York, New Jersey, and Florida were ranked Band 1 in Construction Law, and the Firm's Washington, DC, Texas, and California practices were also highly rated. Additionally, 28 of P&A's construction lawyers were named leading construction lawyers in their respective jurisdictions – more than any other construction law practice in the country. This recognition reflects the addition of three newly ranked P&A attorneys from the prior year as well as six attorneys who moved up in their rankings from last year.

Peckar & Abramson has continuously achieved national recognition for its successes in representing members of the construction industry, both domestically and internationally, as demonstrated by its consistent Chambers USA rankings.

Among the client comments to Chambers USA about the firm, one stated, "They have a wealth of experience from which they provide excellent service." Another source stated, "Peckar & Abramson is a very good partner for general contractors nationally. It is an expert in the construction field," and another said, "The team provides input from different perspectives and takes initiative."

"We are honored to receive this recognition from Chambers USA as it attests to P&A's position as a leading construction law firm and recognizes the strength of our expertise and exceptional client service," said P&A Chair Steven M. Charney. He continued, "We are committed to maintaining the high standards that earned us this recognition which would not be possible without the unwavering dedication of our attorneys who continue to distinguish themselves as thought leaders and prominent contributors to P&A and the construction industry."

Peckar & Abramson's extensive national capabilities were highlighted, and its New York, New Jersey, Florida, Washington, D.C., Texas, and California offices were recognized in the following bands:

- Construction Law: Nationwide – Band 1
- Government Contracts: Highly Regarded: Nationwide – Band 2
