

## Peckar & Abramson Ranked First Among Construction Executive’s “The Top 50 Construction Law Firms™” for Fifth Consecutive Year

NEW YORK, NY – (June 1, 2023) – Peckar & Abramson, P.C. (P&A) is pleased to announce that it has once again been ranked first among Construction Executive’s (CE) “The Top 50 Construction Law Firms™.” P&A has held this distinction since 2019, the inaugural year of the publication’s rankings.

According to CE, to determine the 2023 ranking, the publication invited hundreds of U.S. law firms with a construction practice to complete its survey. CE explains that the data it collected pertained to activity in 2022 and focused on metrics that reflect each firm’s construction practice, number of attorneys, clients, and the year in which the construction practice was established, among others. According to CE, the ranking was determined by an algorithm that weighed these and other factors.

P&A was ranked as the largest and most active construction law practice in the nation, based on the methodology described.

Firm Chair, Steven M. Charney, commented, “To be ranked first among Construction Executive’s ‘The Top 50 Construction Law Firms’ for the fifth consecutive year is a testament to the deep roots we have in construction, infrastructure and development, as well as the commitment our attorneys and staff have to supporting these dynamic industries.”
