

## Peckar & Abramson Partner Levi Barrett Named a 2024 NJBIZ Leader in Law Honoree

Peckar & Abramson, P.C. (P&A) is pleased to announce that [Levi W. Barrett](#), co-managing partner of the firm's New Jersey office and Chair of its Contracts, Project Documentation, and Risk Management practice, has been named a 2024 NJBIZ Leaders in Law Honoree.

NJBIZ defines its process as “an open nomination period, followed by a selection of honorees by a panel of independent judges with experience in the justice system.” According to the publication, “the selections were based on legal professionals – lawyers and general counsels – whose dedication to their occupation and their communities is outstanding.” A celebration highlighting these professionals will take place on May 14 at The Palace at Somerset Park in Somerset.

Firm Chair [Steven M. Charney](#) commented, “Levi exemplifies commitment to our clients and the communities within which we live and work by providing exceptional legal guidance and support.” He continued, “His immense knowledge of construction law, coupled with leadership inside and outside our firm, has made him a ‘go-to’ resource for clients and the construction community as a whole. On behalf of P&A, we congratulate him on this well-deserved recognition.”

“I’m honored to be recognized as a Leader in Law,” said Levi. “Having the opportunity to deliver top-notch service to our clients is one of the hallmarks of P&A and this honor would not be possible without their trust and support. We are truly grateful for their partnership.”

### ABOUT LEVI W. BARRETT

Levi works closely with contractors, construction managers, owners, and developers to structure and negotiate contract documents for construction projects nationwide. He leads a team of 14 lawyers and oversees the preparation, negotiation, and review of over 500 construction contracts annually. Levi also guides foreign contractors on operating in the US, assists domestic contractors in managing risks abroad, and advises clients on acquiring construction entities.

Recognized as a thought leader in his field, Levi frequently presents and writes on contract negotiations and emerging issues relative to project delivery methods, such as design-build and delegated design. He teaches a master's course in construction law annually at the University of Stuttgart and serves as a guest lecturer at Columbia University's College of Engineering. Additionally, he has presented to a capstone class at the Syracuse University Infrastructure Institute.

Levi has received many accolades including recognition by Chambers USA in construction law. He is admitted to practice in the State of New York, the State of New Jersey, and the United States District Court for the District of New Jersey. Levi received his Bachelor of Arts in economics from San Francisco State University and his law degree from Syracuse University College of Law.
