Peckar & Abramson, P.C. (P&A) is pleased to announce that 63 of the firm's attorneys, based in the firm's Boston, California, Florida, Illinois, New Jersey, New York, Texas, and Washington, D.C. offices, have been recognized by Best Lawyers. 45 of these attorneys were named to the 2026 The Best Lawyers in America® list, while 18 were named to the 2026 Best Lawyers: Ones to Watch list. With this number of named attorneys, P&A once again has the largest number of construction lawyers recognized by Best Lawyers.

P&A Firm Chair [Steven M. Charney](#) commented, "Our firm's consistent recognition by Best Lawyers, year after year, demonstrates the respect that our skilled attorneys have earned from both our construction clients and the wider construction community." He continued, "This, and the many other honors our attorneys have received, solidifies P&A's leadership position in construction law - a reputation that seek to earn every day as we tackle our clients' challenges with the highest level of care, insight, dedication, and vigor."

The 2026 Best Lawyers distinctions include the prestigious "Lawyer of the Year" recognition, awarded to two P&A attorneys. This honor, as Best Lawyers states, is given to one lawyer per practice area who has received the highest peer ratings within each metropolitan region. They are:
