BIO

Anoop Desai is an Associate in Peckar & Abramson's Miami office. He focuses his practice on construction law and construction litigation, representing contractors, developers, subcontractors, and other industry participants in a wide range of disputes.

Prior to joining P&A, Anoop worked at a Florida litigation firm, representing clients in a variety of construction defect matters. His experience includes handling construction defect matters, Chapter 558 pre suit proceedings, property damage claims, and complex litigation involving project performance, scope issues, and contract compliance. He works closely with clients, experts, and carriers to develop strategies that narrow claims and position matters for efficient resolution. Anoop is a committee member of the American Bar Association.
