Peckar & Abramson, P.C. NEWS

Peckar & Abramson Earns National 2027 "Law Firm of the Year" in Construction Litigation from Best Law Firms®; Achieves 26 National and Regional Rankings

Peckar & Abramson, P.C. (P&A) is honored to announce that the firm has been named the national "Law Firm of the Year" in Construction Litigation in the 2027 edition of *Best Law Firms®*. According to the publication, only one law firm in each nationally ranked practice area receives this distinguished honor each year. This latest recognition marks the 10th time P&A has earned this award.

In addition to earning "Law Firm of the Year," P&A received top-tier national rankings in both Construction Law and Litigation for the 18th consecutive year. The firm also appeared in regional rankings for seven practice areas.

Best Law Firms® states, "receiving a tier designation represents an elite status, reflecting the integrity and reputation earned by law firms." Eligibility requires at least one attorney from the firm to be recognized in the corresponding edition of *The Best Lawyers of America®*. Notably, 59 attorneys across P&A's 10 offices were named in the 2027 edition of *Best Lawyers*.

P&A Chair Steven M. Charney stated, "Earning the national 'Law Firm of the Year' distinction again, supported by strong national and regional rankings, underscores the dedication our team brings to the construction industry every day. We remain committed to helping clients navigate the complexities of their projects and disputes, and we deeply value the longstanding partnerships we've built across the industry."

The 2027 edition of *Best Law Firms* features rankings across 75 national practice areas and 127 metropolitan-based practice areas. The publication reports that it uses a rigorous research process that combines qualitative feedback, quantitative data, and evaluations from clients and legal professionals, supported by proprietary methodology and technology. According to *Best Law Firms*, the resulting tiered rankings recognize the legal industry's top four percent of firms, identifying those that demonstrate exceptional service, reputation, and results.

The firm's tiered rankings include:
